A History of Nazi Germany, Second Edition

Joseph W. Bendersky

A History of Nazi Germany, Second Edition Joseph W. Bendersky

Bendersky (history, VA Commonwealth Univ.) supplies an incisive introduction to the Nazi regime, employing both narrative and analytical approaches to account for Hitler's rise to power, Nazi ideology, the polycratic nature of the regime, territorial expansion, and the Final Solution. The second edition of his 1984 book (CH, Oct'85) features expanded coverage of German women, a review of recent Holocaust scholarship, new photographs and illustrations, and annotated bibliographies entitled "Subjects Recommended for Research." Building upon his previous study, *Carl Schmitt: Theorist for the Reich*, Bendersky provides an exceptionally thoughtful discussion of German constitutional and legal matters. His synthesis offers an attractive alternative for classroom use to narratives by Jackson Spielvogel, Donald Wall, and Alan Wilt. Recommended.
