Dead Men Don't Eat Lunch Geoffrey Gilson

Dead Men Don't Eat Lunch paints a devastating picture of how British Governments have been corrupted for 30 years by huge bribes from the international arms trade, and how that corruption may even now be tainting the Liberal-Conservative Coalition Government of David Cameron and Nick Clegg. Special emphasis is given in *Dead Men* to the role of 'Al Yamamah,' the notorious \$150 billion arms contract between Great Britain and Saudi Arabia, which still generates \$300 million in kickbacks every year. The author sets out, in gripping detail, his own discovery that the mysterious death of his close colleague, and former rising British political star, Hugh Simmonds CBE, was the direct consequence of his deadly role as British Prime Minister Margaret Thatcher's personal arms dealer, money-launderer and assassin.
