## **Incidents of Travel in Central America, Chiapas, and Yucatan, Volume I (Incidents of Travel in Central America, Chiapas & Yucatan) John L. Stephens**

Stephens' two expeditions to Mexico and Central America in 1839 and 1841 yielded the first solid information on the culture of the Maya Indians. The books in this two-volume set relate his archeological discoveries and exploration of ruined cities, monuments, and temples with penetrating and exciting narrative. Remarkably realistic illustrations by Frederick Catherwood double the appeal of the books.
