Robert Fox:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
