Re-Defining Success: #Accomplish_The_Inevitable_Success Maurice J. Gayle

Re-Defining Success, what does it mean? Over the years I have observed more and more persons getting dismayed about their success due to societies mediocre based ideology instead of the individuals own believe system. A person isn't successful until society says he/she is, and unconsciously persons give into this believe and many times lead unfulfilled lives. This book was written to educate persons of different ways to break free of this, and attain success comfortably on their own terms despite the perception of society.

The steps in this book have helped many and I just hope it provides the motivation that propels you to accomplish the inevitable success that's in your grasp.

“There is only one way to be a true success, that is to live your life in your own way.”
