The Didache: the Oldest Church Manual called the Teaching of the Twelve Apostles Philip Schaff

This is the "missing" manual for the Church - not written today but in the age of the Apostles, even before the New testament was finished. How to do communion - Baptism - church discipline - worship services - church offices - right from wrong ... in keeping with exactly how the Apostles themselves ran the Church. With detailed notes and copy of the original manuscript and the authenticated support of every denomination from the Orthodox, Evangelicals and Anglicans, the Didache is an eye-opener and answer-book like no other on "How do we do Church?" that is apostolic and truly in line with what Christ expects.
