Geek Girl is coming to America! The internationally bestselling series takes on the Big Apple in this third hilarious, high-fashion adventure.

When Harriet's dad gets a job in New York City, Harriet is beyond excited to move to the land of skyscrapers, museums, and taxicabs—especially since she'll get to see her dreamy supermodel boyfriend, Nick. Except . . . when her parents said New York, they meant a tiny, boring town two hours from the city by train. Diving back into modeling should be just the right distraction. But can a geek girl stand out in the fashion capital of America?

“A cheeky, fabulous, fun read” (*ALA Booklist*), Holly Smale's Geek Girl series is perfect for fans of Meg Cabot's Princess Diaries series and Louise Rennison's Georgia Nicolson series.
