Isabella: Braveheart of France Colin Falconer

She was taught to obey. Now she has learned to rebel.

When Princess Isabella is offered as bride to King Edward of England, for her it's love at first sight. But her dashing husband has a secret, one that threatens to tear their marriage—and England—apart. As Isabella navigates the deadly maelstrom of Edward's court, her cleverness and grace allow her to subvert Edward's ill-advised plans and gain influence. But soon the young queen is faced with an impossible choice, taking a breathtaking gamble that will forever change the course of history.

In the tradition of Philippa Gregory and Elizabeth Chadwick, *Isabella* is the story of a queen who took control of her destiny—and the throne.

Revised edition: This edition of *Isabella* includes editorial revisions.
