La idea de la muerte en México (Antropología) (Spanish Edition)

Claudio Lomnitz

La idea de la muerte en México (Antropología) (Spanish Edition) Claudio Lomnitz

Esta obra es la primera historia social, cultural y política de la muerte en una nación que hizo de ella su símbolo tutelar. Mediante el examen de la historia y del símbolo de la muerte, este innovador estudio marca un hito en la comprensión del rico y singular empleo que hacen los mexicanos de la imagería de la muerte. A diferencia de los europeos y estadounidenses contemporáneos, cuya negación de la muerte impregna sus culturas, el pueblo mexicano muestra y cultiva una familiaridad jovial, una intimidad que se convirtió en la piedra angular de su identidad nacional.
