Robert Cadorette has the perfect life. Just ask him; he'll tell you. He has a wife that loves him, a baby on the way, and he is a successful business man. The only problem is, none of that is true. Miranda Cadorette is a career woman that knows there's a problem in her marriage. She doesn't understand why Robert won't communicate with her the way she would like. Her friends say dump him. Dr. Peter Frakes is the psychiatrist that tries to make sense of a man who believes his own lies and a woman that just wants her marriage to work. Through it all is Angelo, Robert's long-lost friend from childhood. What does he have to do with the mess that Robert, Peter and Miranda have become? One Truth at a Time explores denial to the extreme, unconditional love, and whether or not the two can co-exist.
