Genre: LGBT Contemporary

Determined to outdo each other, business rivals Sean and Andrew land themselves in hot water when their private feud spills over at a very public charity auction. With neither willing to back down over the dream vacation at stake, they're told by their boss that they're both going and that they're to return as friends.

As fate would have it, their plane crashes and they wash up on a desert island where their feud is as likely to doom them as the lack of food and their inability to start a fire. But there's enough heat between them to set sparks flying once out and proud Sean discovers that Andrew's gay, but determined to remain in the closet.

Rescue comes, but brings with it new challenges. They're whisked back to their old lives with secrets to keep and a shared passion that makes it impossible for them to stay apart for long.

Choices must be made, new paths taken, and two men who have always been good at fighting find themselves, finally, with something worth fighting for: each other.

Publisher's Note: This book contains explicit sexual situations, graphic language, and material that some readers may find objectionable: male/male sexual practices.
