The End of the Hunt

Thomas Flanagan

The End of the Hunt Thomas Flanagan

Volume 3 of Thomas Flanagan's Irish History Trilogy

This third volume of Thomas Flanagan's best-selling Irish-history trilogy (which begins with *The Year of the French* and continues with *The Tenants of Time*) brings to epic life the events of the Irish War of Independence. Flanagan's gaze is both world historical and intimate as he tells the story of Janice Nugent, a recent war widow who strikes up a romance with Christopher Blake, a historian and propagandist for the IRA; of Patrick Prentiss, discharged from the British army after losing an arm in World War I to find Dublin engulfed in civil turmoil; of a Virgil-toting gunman named Frank Lacy; and of a panorama of meticulously drawn historical figures on both sides of the conflict, from Winston Churchill and Lloyd George to Eamon de Valera and Michael Collins. While violence escalates and losses mount, the once-mighty British Empire shows signs of strain and Irish independence finally glimmers on the horizon.
