Beware The Predator: The American's Guide to Personal Security - What YOU need to know! Mr. Warren D Holston

BEWARE THE PREDATOR is an easy-to-read guide for anyone who wants to raise their security awareness and defensive posture. This book will help you understand how to protect yourself, your family and business from criminal predators, corporate intrusion, and State sponsored spying. Whether you are a corporate or government executive, a high-net-worth individual, or someone simply concerned about identity theft and personal safety, you should be aware of the vulnerabilities to your personal data and predatory attacks against your assets and relationships. This book provides practical ways to reduce your personal exposure and mitigate risk. Instead of trying to defeat the onslaught of technology with technology, Beware The Predator shows you how to use traditional personal security tradecraft techniques to reduce your exposure and enhance your security, while continuing to enjoy the conveniences of modern life. Beware the Predator provides simple processes you can use to help strengthen your security posture and present a hardened target to the predator.
