Whether you're new to the *CLASS*® framework or honing your skills, this booklet will ground you in the domains and dimensions that make up the *CLASS Infant* framework. In its pages you will:

- Explore *CLASS Infant* domains and dimensions
- Find clear explanations of effective interactions
- Learn practical strategies for improving interactions

This dimensions guide is great for teachers and anyone interested in understanding why classroom interactions matter and how they can be improved with the *CLASS* tool.

This guide is used with the bestselling *CLASS* observational tool that measures interactions between children and teachers—a primary ingredient of high-quality early educational experiences. With versions for infant and toddler programs and pre-K and K–3 classrooms, the reliable and valid *CLASS* tool establishes an accurate picture of the classroom through brief, repeated observation and scoring cycles and effectively pinpoints areas for improvement.

Learn more about the whole *CLASS* system.

See which domain of school readiness in the Head Start Child Development and Early Learning Framework this tool addresses.
