“Sometimes people just won’t notice what’s right in front of their face, you know?”

For years Allison had nursed a secret infatuation for Lucas and hoped that eventually he’d find what he was looking for in her—even if it was totally taboo. Seeing the way that other women hung all over him hurt, but as long as she got to spend time with him she was willing to live with it. Eventually she would work up the nerve to make some kind of move on him.

That’s what she told herself, anyway, right up until the moment Claudia swooped in and snatched him up. Lucas fell head over heels for the blond beauty, although Allison could see that Claudia didn’t really love him at all.

Then after a nasty breakup Lucas moves home. Allison finally has her chance to make her move. But can she convince Lucas that forbidden fruit really is the sweetest?
