A book of colorful memes featuring inspirational and motivational quotes. A positive and uplifting start for the day or to read before bed.

Inglath Cooper on why she wanted to create this book: "I've become a firm believer in making deliberate efforts each and every day to put good stuff in my mind and body. The words I read. The music I listen to. The food I eat. One of the things I find motivating is to read quotes from people who have lived well or at least tried to. I hope that reading them and my thoughts about each will be a positive inspiration or motivation in your life."
