Lonely Planet: The world's leading travel guide publisher

Anyone can speak another language! It's all about confidence.

Aristotle, Homer, Plato, Sappho, Herodotus and Alexander the Great can't all be wrong in their choice of language - if you've ever come across arcane concepts such as 'democracy', exotic disciplines like 'trigonometry' or a little-known neurosis termed 'the Oedipus complex', then you'll have some inkling of the widespread influence of Greek language and culture.

- Never get stuck for words with our 3500-word two-way dictionary
- Order the right meal with our menu decoder
- Avoid embarrassing situations with essential tips on culture & manners

Coverage includes: Basics, Practical, Social, Safe Travel and Food.

Lonely Planet gets you to the heart of a place. Our job is to make amazing travel experiences happen. We visit the places we write about each and every edition. We never take freebies for positive coverage, so you can always rely on us to tell it like it is.

Authors: Written and researched by Lonely Planet and Thanasis Spilias.

About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in.
