This book is a STANDALONE. It follows two side characters from *The Duet*, but every detail you need to know will be included. Five minutes until the interview begins. Fresh on the heels of her college graduation, Cameron Heart has landed an interview at a prestigious architecture firm. Four minutes until the interview. She knows she's only there because the owner, Grayson Cole, is her older sister's friend. Three minutes. For the last seven years, Grayson has been the most intimidating man Cammie has ever had the pleasure, or displeasure, of being around. Two Minutes. But the job opportunity is too good to pass up. So, Cammie will have to ignore the fact that Grayson is handsome enough to have his own national holiday. One. After all, she shouldn't feel that way about her new boss. And, he will be her new boss. ... "I'm not intimidated by you," I said with a confident smile. "Perhaps we should fix that, Ms. Heart. Close the door."
