A "sixth sense", this gift has helped her locate mystical and wonderful things all over the world. Whether or not people believe in her gift, her results speak for themselves.

Because of her ability to find the unfindable, Dr. Trent is called in to assist the floundering dig of one of the world's top Egyptologists, Dr. Marcus Burton. Dr. Burton has a highly publicized dig in the Valley of the Kings, and Kathlyn is met with animosity the moment she sets foot on his dig. Tall, dark, and ruggedly gorgeous, he has no desire to attract the attention she brings. But the excitement they come to share as they explore long-lost pharaoh's tomb destroys the animosity in favor of an emotional bond that cannot be broken. Elements of intrigue endanger their lives and create chaos amidst their blooming romance, and the situation soon explodes in a running gun battle amongst the ruins of ancient Egyptian temples.
