Amor and Exile: True Stories of Love Across America's Borders

Nathaniel Hoffman, Nicole R Salgado

Amor and Exile: True Stories of Love Across America's Borders Nathaniel Hoffman, Nicole R Salgado
ACROSS the United States, American citizens are forced underground, exiled abroad and separated from their spouses for a surprising reason. *Amor and Exile* is the story of American citizens--including Veronica, Ben, J.W., and Nicole--who fall in love with undocumented immigrants only to find themselves trapped in a legal labyrinth, stymied by their country's de facto exclusion of their partners. Journalist **Nathaniel Hoffman** visited both sides of the border to document the lives of these couples caught in the crossfire of America's high stakes political fight over immigration. In his disarming and precise style, Hoffman also traces the historical relationship between immigration, love and marriage. Lending an authentic voice to *Amor and Exile*, coauthor **Nicole Salgado** delivers a searing first-person account of life in the U.S. with her husband while he was undocumented, her tortured decision to leave the country with him, and their seven years of exile and starting over together in Mexico. *Amor and Exile* tells of love that transcends borders--a story shared by hundreds of thousands of U.S. citizens--cutting through the immigration debate rhetoric and providing a courageous perspective for one of the most vexing policy problems of our time.
