Private Witch: Book One: Espresso, Swamp Creatures , + Murder.

Pearl Styles is a reluctant witch. She wants her private eye business to stand on its own two feet, NOT to rely on her psychic powers. But when a body turns up at Traralgon Creek, Pearl has to reconsider. Who, in this small town can she trust to help her solve the case? Max the gruff owner of the local coffee shop, Aaron the leader of the local paranormal investigation club, or her fellow witch Alice who's desperate for Pearl to join the local coven?

When it seems as though the murderer might be after her and her sisters next, Pearl realises she might have to rely on her own instincts, and embrace her witch powers after all.

Dealing with caffeine cravings, a new kitten at home, and a mystery that is not what it appears to be, Pearl teams up with local coffee shop owner and former cop Max to solve the case. When it looks like she and her new kitten might be in danger, Pearl has to use both her detective instincts and her psychic intuition to figure out what is really going on...
