Sam is falling for her doctor, a woman she had always believed to be straight, who just told her she is getting a divorce. Sam is married, unhappily, to a woman. Now she is driving herself crazy trying to figure a way to start a relationship with this woman, who she calls “Doc”. But she is afraid she’ll lose the best doctor she ever had if she crosses the line with Doc.

Doc is a compassionate doctor who cares about her patients, but is feeling something strange for one in particular – Sam. What is it exactly she is feeling for this woman?

And then there is Alice to contend with. Alice is a crazy member of a drug ring who also stalks Doc, and has decided to kill Sam. Throw a beautiful lake and the Blue Ridge Mountains in the background, and you have a humorous love story with a lot of gunfire.

This is Ms. Mauldin’s first novel, and if you’re a sucker for romance, with a few tense moments and a few giggles, give this one a read.
