A woman's work Amy Slaten has devoted her life to Slaten Industries. After ousting her corrupt father and taking over the CEO role, she thought she could relax and enjoy taking her company to the next level. But an old business rivalry rears its ugly head. The only thing that can possibly take her mind off business is the training class at Sanctum...and her training partner, the gorgeous and funny Flynn Adler. If she can just manage to best her mysterious business rival, life might be perfect. A man's commitment Flynn Adler never thought he would fall for the enemy. Business is war, or so his father always claimed. He was raised to be ruthless when it came to the family company, and now he's raising his brother to one day work with him. The first order of business? The hostile takeover of Slaten Industries. It's a stressful job so when his brother offers him a spot in Sanctum's training program, Flynn jumps at the chance. A lifetime of devotion.... When Flynn realizes the woman he's falling for is none other than the CEO of the firm he needs to take down, he has to make a choice. Does he take care of the woman he's falling in love with or the business he's worked a lifetime to build? And when Amy finally understands the man she's come to trust is none other than the enemy, will she walk away from him or fight for the love she's come to depend on?
