Introduction to Health and Safety at Work: The Handbook for the NEBOSH National General Certificate Ed Ferrett PhD BSc (Hons Eng) CEng MIMechE MIEE MIOSH, Phil Hughes MBE MSc FIOSH RSP

Introduction to Health and Safety at Work is based on the QCA (Qualification and Curriculum Authority) accredited NEBOSH General Certificate, as revised in 2002. It has been developed specifically for students who are studying for the NEBOSH National General Certificate in Occupational Safety and Health.

The book is also intended as a useful reference guide for managers and directors with health and safety responsibilities, and for safety representatives. It covers the essential elements of health and safety management, risk control, and standards.

Examination questions at the end of each chapter are taken from recent NEBOSH National General Certificate papers. The answers to these questions are to be found within the preceding chapter of the book.

This full colour text is highly illustrated throughout, and has been designed for easy assimilation of the information provided.

- *The only book students of the NEBOSH National General Certificate in Occupational Safety and Health will need to buy
- *Written by the Deputy Chairman and former Chairman of NEBOSH
- *Highly illustrated, full-colour book
- *Summarises all the most commonly used Acts and Regulations
