NIGHT TERRORS is the story of Jaynie Rooney, a twelve year old girl with an eight year old problem - her brother, Jimmy. His recurring nightmare about a monster underneath his bed keeps waking the whole house, and what's worse; he's absolutely certain that it's not a dream. When his friends begin to disappear in the night - friends who were having the same nightmare - Jaynie starts to think that Jimmy may be right. Is there a monster terrorizing Meadowbrook? Or, is the culprit of the human variety? Jaynie, her best friend, Ophelia, and their brothers, Aaron and Jimmy, believe that a supernatural beast is abducting eight-year-old boys in the town of Meadowbrook. She's so average she's in a class by herself, the guy she has a crush on is crazy about her gorgeous friend and she's beginning to wonder if putting up with 'stuck-up' Marla is worth a spot in the "in" crowd. Can the seventh grade, anti-heroine stop the creature before Jimmy becomes the next victim?
