What would you do, if you lost the one person in your life that you could count on?

Abuse

Pain

Sorrow

Fear

These are the things, that Aaliyah Thomas had to cope with, all of her life. After the person, who meant the most to her and who made her life worth living, is murdered, she escapes and flees to the other side of the country. She enrolls in a college, determined to go on with her life. What she does not know, is that the killer is looking for her and will do anything to find her.

Ryder Knight lives for basketball. He is one of the most popular guys on campus, with a lot of friends and a good heart. The only thing he misses is honesty. Most hang out with him because of his money, so he isn't sure who is sincere and who has hidden motives.

The attraction between Ryder and Aaliyah is immediate, but Ryder's distrust quickly ruins any chances of them becoming friends.

Is he ready to open up his heart and once again let love enter his life? Will Aaliyah break down the walls, that she set up around her heart and finally start trusting others?

Will they get their forever? Or are their hearts too broken?

This is a stand-alone novel, with a little less than 70.000 words.
