After Giselle Granger's husband dies in a tragic accident, she's left with their two young daughters, and struggling for the strength to live in a world without him. When Jackson Broussard loses his wife in the same accident, he finds himself free of the woman whose lies and manipulations have made his marriage a living hell. He feels bound to the past by desire to do right by his friend's widow and children even though Giselle makes it clear she does not want his help. Can the two former co-workers leave their pasts behind in order to forge a new future together? Or will they be left with nothing more than a last first kiss and two broken hearts?
