The 14th edition provides the latest law in readable 50-state charts, and includes many fill-in-the-blank legal forms. It also discusses the laws covering same-sex marriages and civil unions, which are often so broad, they affect unmarried heterosexual couples as well.

The CD-ROM that accompanies the printed version of this book includes forms or other tools; in this eBook, you'll find all those documents in the appendix or at the back of the book.
