Stranger in my Bed: Answers...or more lies? Kristen James

Book 3

I want answers. I'll find a way to get them. Eli has an explanation for everything...until he doesn't. I finally crack him and gain leverage, only to learn a new, more twisted story. How can I believe round two of his lies? Now I know for certain he's not the only one in on this conspiracy, but I still don't know why this is happening to me.

Teaser:

(Eli)

Good god, when that woman gets an idea in her head, nothing short of Armageddon can stop her.

You don't trust me, Megan. You think I'm going to put a bullet in your head and chop you up with an ax like some deranged murderer. You think I'd do that to my wife, the love of my life, the woman who saved my life and soul.

So what now? What do I do?

She really didn't know what she was asking me back then. That, or she thought more of me than I do.

What if she does make a break for it out here? Her talents lie more in the interpersonal realm, not so much outdoor survival. She can navigate life with the rich and twisted, surrounded by power hungry tycoons and white collar killers, but I'm not sure she'd keep her head about her in a survival situation out here, especially in her confused mental state.

Why did I leave her by herself? Did I really think it'd prove that I trust her?
