Lychee Light Club Usamaru Furuya

The *Lychee Light Club* is considered Usamaru Furuya's breakthrough work. Originally designed as an experiemental project Lychee's themes of youthful rebellion and deus ex machina destruction, and attractive designs eventually won over a new generation of readers and critics, leading the way for Furuya to take on his many recent high profile properties.

In an abandoned warehouse, a band of nine students have assembled to plot out a new future. Their "leader" Zera is determined to cleanse his community of the ugly and cowardly. Having taken command of a band of young men to build him a god-like machine capable of changing the world. This machine, named "Lychee," will give them what they've been searching for...a beauty of the finest quality.

A surreal yet touching horror comedy Furuya's *Lychee Light Club* that mixes elements of French Le Théâtre du Grand-Guignol and with modern day pop culture tropes and is set in modern day Tokyo. Shocking, sexy and innovative, the *Lychee Light Club* is at the pinnacle of modern day Japanese *seinen* manga (young adult comics).
