## **New Edition-Dental Decks Part 1** Jim Lozier

The 2013-2014 Edition of Dental Decks Part I consists of approximately 1,330 comprehensive flashcards. They are organized to review the following topics:

- Anatomic Sciences
- Microbiology / Pathology
- Biochemistry / Physiology
- Dental Anatomy / Occlusion
- Ethics / Patient Management

The booklet comes with the flashcards and contains 10 Case Scenarios to help familiarize the student with this type of question format. New for this Edition, the illustration cards are placed right after the flashcard so the student does not have to go back and forth between a separate illustration section. Many illustrations can be used for the entire subsection (i.e., heart, gastrointestinal system, etc.) and now you have them right at your fingertips.
