The author has “a pirate’s chest” of silver to leave her children. But silver tarnishes, begs to be stolen, and, most of all, is mute. Instead, she offers memories: “Stories to page through and chuckle over. No need to keep them polished.” *Paper Heirloom* is an openhearted, witty, reflective memoir of a shy girl who has been “lucky since the age of five.” Witkind Davis takes us from a robber baron grandfather whom she never knew, through a difficult time as a preschooler, and into fascinating tales of growing up in a large, successful Ohio family during the turbulent nineteen-sixties.

“The story we bring out annually about Uncle Fred is how he changed the date of Thanksgiving.”

“How come you keep a bong in your vanity drawer?” asked my son, Josh. “How come you know it’s a bong?” I asked him.

“However much they love their sports teams, most fans can’t buy them...Char did.”
