Astrology is a process of learning, rather than a limited science or art. It has been used for thousands of years of recorded history as a tool of insight and clearly influences our evolution in this life. Quantum Awareness, shows you directions in which these qualities can lead for better understanding of ones self. You are but a reflection of the Cosmos that imprinted your first breath with symbols. These symbols provide a link between thought and action, which triggers a response to their individual meanings present in primal memory. Awaking your Quantum Awareness allows you to consciously activate the blessings the cosmos gifted you.
