Ride with Me Ruthie Knox

In this fun, scorching-hot eBook original romance by RITA finalist Ruthie Knox, a cross-country bike adventure takes a detour into unexplored passion. As readers will discover, *Ride with Me* is not about the bike!

When Lexie Marshall places an ad for a cycling companion, she hopes to find someone friendly and fun to cross the TransAmerica Trail with. Instead, she gets Tom Geiger—a lean, sexy loner whose bad attitude threatens to spoil the adventure she’s spent years planning.

Roped into the cycling equivalent of a blind date by his sister, Tom doesn’t want to ride with a chatty, go-by-the-map kind of woman, and he certainly doesn’t want to want her. Too bad the sight of Lexie with a bike between her thighs really turns his crank.

Even Tom’s stubborn determination to keep Lexie at a distance can’t stop a kiss from leading to endless nights of hotter-than-hot sex. But when the wild ride ends, where will they go next?

Includes a special message from the editor, as well as excerpts from these Loveswept titles: *In the Arms of the Law*, *Ivy Secrets*, and *Because of You*.
