## **Accounting: Texts and Cases** Robert Anthony

Overview the book covers both financial and managerial accounting as well as broader managerial issues. Chapters 1 -14 cover financial accounting, while chapters 15-21 cover management accounting, and chapters 22-28 focus on broader issues of control and corporate strategy. The 100 plus cases that make up most of the end-of-chapter material are a combination of classic harvard style cases and extended problems.
