Back to Basics: Tactics (ChessCafe Back to Basics Chess) Dan Heisman

Tactics are usually why most people find chess fun! This book will greatly enhance your enjoyment learning about - and benefiting from - the recurring patterns of tactics. In chess, if you lose all your pieces you can't win! And if you capture each of your opponent's pieces, winning should be easy. Even if you just get ahead by a small amount of material, your chances of winning soar. The way to win your opponent's pieces is through the use of tactics. This book is about all types of beginning tactics. The author covers comprehensively the subject with basic instructional material, examples, and problems of all types - about 500 examples and problems ranging from too easy to very difficult! Back to Basics: Tactics - the first in the ChessCafe Back to Basics Chess Series - should enhance your enjoyment in learning about - and benefiting from - the recurring patterns of tactics. It does not matter who gets the advantage out of the opening if one of the players is likely to lose a piece to a simple tactic in the middlegame. Losing a piece from an advantageous position will almost always result in a lost position. So study tactics, not openings, until you almost never lose pieces to simple tactical motifs. This book is an introduction to the various kinds of basic chess tactics. With instructional material, examples, and problems of all types, the subject of chess tactics is covered comprehensively. There are approximately 500 examples ranging from easy to challenging!

From reader reviews:

Edward Capps:

The reason why? Because this Back to Basics: Tactics (ChessCafe Back to Basics Chess) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

Dennis Rodriguez:

Your reading sixth sense will not betray an individual, why because this Back to Basics: Tactics (ChessCafe Back to Basics Chess) book written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still doubt Back to Basics: Tactics (ChessCafe Back to Basics Chess) as good book not just by the cover but also through the content. This is one reserve that can break don't judge book by its handle, so do you still needing yet another sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.

Annie Resnick:

You can spend your free time to read this book this reserve. This Back to Basics: Tactics (ChessCafe Back to Basics Chess) is simple to develop you can read it in the park, in the beach, train in addition to soon. If you did not get much space to bring often the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Gloria Engstrom:

What is your hobby? Have you heard that will question when you got pupils? We believe that that problem was given by teacher on their students. Many kinds of hobby, All people has different hobby. And also you know that little person just like reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the matter. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you choose to use be your object. One of them is this Back to Basics: Tactics (ChessCafe Back to Basics Chess).
