Built to Last Jim Collins & Jerry I. Porras

Simplified Chinese Version. This analysis of what makes great companies great has been hailed everywhere as an instant classic and one of the best business titles since *In Search of Excellence*. The authors spent six years in research. *Built to Last* identifies 18 "visionary" companies and sets out to determine what's special about them. To get on the list, a company had to be world famous, have a stellar brand image, and be at least 50 years old.

From reader reviews:

Erna Taylor:

Within other case, little folks like to read book Built to Last. You can choose the best book if you want reading a book. Given that we know about how is important a book Built to Last. You can add expertise and of course you can around the world by way of a book. Absolutely right, mainly because from book you can understand everything! From your country until finally foreign or abroad you will be known. About simple factor until wonderful thing it is possible to know that. In this era, we can open a book or perhaps searching by internet product. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's learn.

Jodi Dauphin:

As people who live in typically the modest era should be update about what going on or details even knowledge to make these people keep up with the era that is always change and make progress. Some of you maybe may update themselves by reading through books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This Built to Last is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Rose Ibarra:

Your reading sixth sense will not betray a person, why because this Built to Last reserve written by well-known writer who really knows well how to make book that can be understand by anyone who read the book. Written within good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still hesitation Built to Last as good book not merely by the cover but also with the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing one more sixth sense to pick this particular!?! Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

Donna Solano:

What is your hobby? Have you heard that will question when you got pupils? We believe that that concern was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person like reading or as studying become their hobby. You have to know that reading is very important and book as to be the point. Book is important thing to increase you knowledge, except your teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them is niagra Built to Last.
