Elmer Towns

As with his ten previous Praying the Scriptures books, Dr Elmer Towns writes this book in a poetic style, combining modern-day language with a lyrical twist. You will be amazed when the Shekinah-glory cloud lifts from the Tabernacle, the silver trumpet sounds, and three million move as one toward the Promised Land. You are with Moses as he sees the luscious grass, the waving golden grain, and the forest at the heart of the Promised Land-and as he lays down in death on top of Nebo. Those who know how important it is to enjoy the Lord's Word will appreciate the delicious detail and robust research that has gone into this seminal work. The stories bring to life the wanderings of the Israelites and their ever-faithful God Almighty.
