The house is full of Mustangs, and the Wild Horse Compound, now affectionately referred to as Mustang Ranch, is only a few weeks away from completion. There is a feeling of security, yet not—Teresa's anxiety attacks seem to disregard logic. Thankfully, the Team Red detail understands and supports her as she battles unseen demons.

Marcia and Wes have moved to Spokane, and the cancer vigil begins; her final wish is to see her son celebrate his 10th birthday. Compassionate friends, Janey, Ken, Tara, and Jason, take over Marcia's care in an effort to relieve stress as Teresa wages her struggle against PTSD nightmares and paranoia. Tank bonds with Wes as the sad young boy watches his mom slip away.

Bastian is at an undisclosed East Coast location doing PreClan military software upgrades. At home, David is exerting subtle, yet unrelenting pressure to give him a second chance. Will David's obsessive behavior completely destroy the tenuous balance of his relationship with her and Bas?

Teresa takes comfort in Red's constant and supportive presence. His antics and doggy wisdom keep her smiling as she waits not-so-patiently for Bastian to return.

## WELCOME TO TEAM RED!

The series brings you Laugh-Out-Loud, extra-spicy romance with a paranormal twist. Team Red books contain a feisty blind woman with a sassy attitude, a snarky German shepherd who stalks low flying objects (and the occasional cat), two sexy retired Navy men with a talent for tactical planning, a man-cave with secret tunnels and classified military toys, Marilyn Monroe and other celebrity voices, and a herd of Mustangs (okay, maybe "herd" is a slight exaggeration).

This book is INTENDED FOR MATURE ADULTS OVER 18. Sexual situations and adult language (which is unfortunate, as the dog repeats everything).
