Dolley

Rita Mae Brown

Dolley Rita Mae Brown

She had the president's ear and the nation's heart.

She's the wife of the fourth president of the United States; a spirited charmer who adores parties, the latest French fashions, and the tender, brilliant man who is her husband. But while many love her, few suspect how complex Dolley Madison really is.

Only in the pages of her diary—as imagined by novelist Rita Mae Brown—can Dolley fully reveal herself. And there we discover the real first lady—impulsive, courageous, and wise—as she faces her harshest trial: in 1814, the United States is once more at war with mighty Britain, and her beloved James is the most hated man in America.

From the White House receptions she gaily presides over to her wild escape from a Washington under siege, **Dolley** gives us a legend ,made warmly human. For there has never been a first lady so testedèor one who came through the fire so brilliantly.

From the Paperback edition.

From reader reviews:

Karen Imes:

This book untitled Dolley to be one of several books this best seller in this year, honestly, that is because when you read this guide you can get a lot of benefit on it. You will easily to buy this specific book in the book retailer or you can order it by means of online. The publisher of the book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Touch screen phone. So there is no reason to your account to past this publication from your list.

Daniel Rhoads:

You are able to spend your free time you just read this book this e-book. This Dolley is simple bringing you can read it in the park your car, in the beach, train along with soon. If you did not have got much space to bring often the printed book, you can buy often the e-book. It is make you easier to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Ernest Poole:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Dolley can make you experience more interested to read.

Margaret Phillips:

A number of people said that they feel fed up when they reading a publication. They are directly felt the idea when they get a half parts of the book. You can choose typically the book Dolley to make your own personal reading is interesting. Your own personal skill of reading talent is developing when you similar to reading. Try to choose basic book to make you enjoy to study it and mingle the opinion about book and reading through especially. It is to be first opinion for you to like to open a book and learn it. Beside that the book Dolley can to be a newly purchased friend when you're feel alone and confuse in doing what must you're doing of the time.
