Redemption Rebecca King

When Lizzie is caught in a compromising position with one of the ton's most eligible bachelors she expects her brother to be less than pleased. What she doesn't anticipate is finding herself cast out of the family home. With no money to return to the life she leaves behind she is forced to settle into her new life with her somewhat eccentric aunt, horribly aware that she has left a very large part of herself in London with Ben.

Ben tries his utmost to find the woman who captured something inside him he had long since forgotten ever existed. Unfortunately, the debauched ways of the man who claims to be her guardian prevents him from locating her again. That is, until a rather intriguing turn of events brings Lizzie back into his life. But before he can find out why she ran all the way to Derbyshire to get away from him, everyone's lives are thrown into turmoil.

Lizzie is ill prepared for the fate that awaits her upon her return to London, and needs her very own knight in shining armour to unravel the web of mysteries that suddenly surround her. Is Ben's love strong enough to withstand the very challenging tests a rather determined criminal element in London put before him? Or will Lizzie's brother's scheming, and London's darkest secrets, tear them apart forever?
