Watching girl on girl action is one of the sexiest things in the world...

"I never considered myself to be a voyeur or an exhibitionist. Yet there I was, hiding behind a tree, spying on two girls on my college campus, going at it like a couple of porn stars. One was the most prettiest and popular girls in school; the other was a social misfit and my roommate. Who knew she was so talented with her tongue? I couldn't help but be turned on by what I was seeing and I wanted it for myself.

"I tried to remain inconspicuous but I was caught red-headed. My roommate saw me watching them and she wasn't pleased. I ran off but I knew I wouldn't be able to hide for long. What would she do to me when she finally caught up with me? Would I garner the same fate as the pretty blonde she'd been servicing? One could only hope, wish, and dream... "
