WHAT IF YOU DISCOVERED A DEVICE THAT MADE PEOPLE TELL THE TRUTH? Fast-paced humor-adventure with wacky pilots, quirky con men, bold women, mad villains, and a gadget to die for... In the third book of Michael Reisig's captivating series, Florida Keys adventurers Kansas Stamps and Will Bell find their lives turned upside down when they discover a truth device hidden in the temple of an ancient civilization. Enthralled by the virtue (and entertainment value) of personally dispensing truth and justice with this unique tool, they take it all a step too far and discover that everyone wants what they have. Seasoned with outrageous humor and sultry romances, *Along The Road To Key West* carries you through one wild adventure after another. This time, Kansas and Will are forced to wrest veracity and lies from con artists, divine hustlers, and political power brokers while trying to stay one step ahead of a persistent assembly of very bad guys with guns. In the process, from Key West, into the Caribbean, and back to America's heartland, our inadvertent heroes gather a bizarre collage of friends and enemies – from a whacked-out, one-eyed pilot, and a mystical Rastaman, to a ruthless problem-solver for a prominent religious sect, a zany flimflamming sociopath, and a Cuban intelligence agent. In the end, it all comes down to a frantic gamble – to save far more than the truth. So pour yourself a margarita and settle back. You're in for a high intensity Caribbean carnival ride! NOTE: Much of this book was originally published as a novel of mine called, "The Truthmaker." But with the growing popularity of my "Road To Key West" series, I decided to rewrite it and publish it as "Along The Road To Key West." – Michael Reisig
