Secondhand Souls: A Novel Christopher Moore

In San Francisco, the souls of the dead are mysteriously disappearing—and you know that can't be good—in *New York Times* bestselling author Christopher Moore's delightfully funny sequel to *A Dirty Job*.

Something really strange is happening in the City by the Bay. People are dying, but their souls are not being collected. Someone—or something—is stealing them and no one knows where they are going, or why, but it has something to do with that big orange bridge. Death Merchant Charlie Asher is just as flummoxed as everyone else. He's trapped in the body of a fourteen-inch-tall "meat puppet" waiting for his Buddhist nun girlfriend, Audrey, to find him a suitable new body to play host.

To get to the bottom of this abomination, a motley crew of heroes will band together: the seven-foot-tall death merchant Minty Fresh; retired policeman turned bookseller Alphonse Rivera; the Emperor of San Francisco and his dogs, Bummer and Lazarus; and Lily, the former Goth girl. Now if only they can get little Sophie to stop babbling about the coming battle for the very soul of humankind . . .

John Morris:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Secondhand Souls: A Novel can make you really feel more interested to read.
