Jason, better known as Top, is an up and coming DJ. He's a white guy that knows more about Hip Hop than most and he also has cerebral palsy. His group, Wheels of Steel is comprised of self-proclaimed misfits that are made cool by their talent. But despite his talent and popularity Jason is plagued by issues of trust and anger. Robin is a shy black girl that takes a job as his home healthcare aid. Her crippling shyness makes everything difficult for her, and not just her bad tempered client with cerebral palsy, but also his close knit friends, and even her mother with her best intentions. Their saga takes them along a musical journey of self-discovery and love. This three part interracial love story explores the spirit of love and acceptance between a person with an obvious disability—and someone whose disabilities are not always quite so obvious.
