## **Bite Me (Blood Chord Book 2)** Alex Owens

After the disastrous trip that ended her mortal life, Claire has to get her freakish talents and blood-lust (and let's be honest, regular ol' lust too) under control so that she can be a good mom and keep her fangs hidden. Thanks to her Vampire Disability Fund, life is good.

So what if two brothers (one hot, one decidedly jerkish) have moved into her remote neck of the woods? And so what if she hasn't heard a peep out of her maker, Bette, or the other two members of The Triad?

No news is good news, right?

Oh, how wrong she is...

Bite Me (approx. 50,000 words) is the second release in the wicked Blood Chord Series. It contains a fair amount of music, magic, fangs and freaks, along with adult situations-- you've been warned!
