English Literature. Study & Teaching Its History and its Significance for the Life of the English-Speaking World. Large Format Publication for your Reading Pleasure. English literature is the literature written in the English language, including literature composed in English by writers not necessarily from England; for example, Robert Burns was Scottish, James Joyce was Irish, Joseph Conrad was Polish, Dylan Thomas was Welsh, Thomas Pynchon is American, V.S. Naipaul was born in Trinidad, and Vladimir Nabokov was Russian, but all are considered important writers in the history of English literature. In other words, English literature is as diverse as the varieties and dialects of English spoken around the world in countries originally colonized by the British. In academia, the term often labels departments and programs practicing English studies in secondary and tertiary educational systems. Despite the variety of authors of English literature, the works of William Shakespeare remain paramount throughout the English-speaking world. Until the early 19th century, this article deals with literature from Britain written in English; then America starts to produce major writers and works in literature. In the 20th century America and Ireland produced many of the most significant works of literature in English, and after World War II writers from the former British Empire also began to challenge writers from Britain.
