"An exceptionally useful overview for the college bound."—*Booklist*

Get Accepted to the College That's Right For You

Getting into college can be stressful. It's hard enough to find your dream school, but you need to navigate the admissions process too! Never fear. With advice from the two leading college admission experts, the Fiske Guide to Getting Into the Right College will help you generate a list of schools you love and walk you step-by-step through the process of applying to them.

The most trusted experts in America's colleges will show you how to:

- Discover which schools are right for you based on academic programs, size, location, institutional culture, and more
- Wrap your head around standardized tests
- Write compelling essays (even if you're not a great writer)
- Show off your best features in your application
- Ask the right questions during campus visits
- Understand how admissions officers rank candidates
- Gets off the wait list and into the college of your dreams
- Attract and negotiate the best financial aid package

The most trusted resource for helping students get into the schools of their choice.
