Justin Bieber: The Totally Twisted Parody (Totally Twisted Pop Parodies) Bustin' Bieber

Justin Bieber was a popular teen pop-star back in the early 21st Century. His lyrics were kind of simple and repetitive (did we mention monosyllabic?), but he had a nice, sincere voice up in the girly register. And he employed either backup singers or an echo chamber, sometimes even rapsters. His alter ego, Bustin' Bieber, and one twisted editor, Yan Alkovic, have transformed his song lyrics by substituting the words he should have written, along with the topics he should have chosen and two dashes of cayenne pepper. No punctuation has been harmed (or even consulted) in the making of this parody.
