The Way of Wyrd

Brian Bates

The Way of Wyrd Brian Bates

Sent on a mission deep into the forests of pagan Anglo-Saxon England, Wat Brand, a Christian scribe, suddenly finds his vision of the world turned upside down. The familiar English countryside is not what it seems: threatening spirits, birds of omen and plants of power lurk in this landscape of fallen terrors and mysterious forces. With Wulf, a sorcerer and mystic, as his guide, Brand is instructed in the magical lore of plants, runes, fate and the life force until finally he journeys to the spirit world on a quest to encounter the true nature of his own soul.
